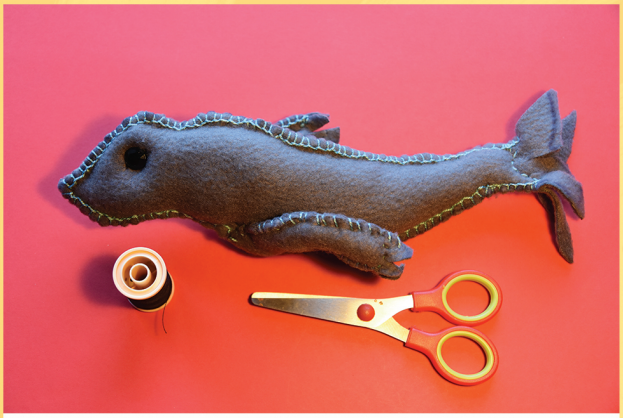
BUTTONS/SEQUINS (FOR THE EYES)

CLYDEBUILT PUPPET SNIPPETS AT ART-TASTIC EXHIBITION!

MAKE A SIMPLE SEAL PUPPET!



This soft seal puppet is made with 2 pieces of fabric sewn together and stuffed.

Collect your materials. If you don't have fleece, you can use old clothes!

Draw round and cut out 2 pieces of each template on your chosen fabric.

Pin the body pieces and fins together. Make sure they match up as close as possible.
