## Access

We strive to make all our venues accessible. DCLG includes:

- Ramp to front entrance
- Automatic entrance doors
- Lift to all floors
- All abilities toilets throughout the venue
- Changing places facility
- Wheelchair available on request

If you have any access requirements please contact [ross.christie@onfife.com](mailto:ross.christie@onfife.com)

## **Hanging System**

The Community Gallery uses the Avante hanging system. This can be used for ease of hanging works and avoids any damage to the walls of the building.

Details of the system specific to our gallery spaces can be found here:

## **Gallery Sales**

The Community Gallery is not a commercial art space available for hire. Works may be sold, but this must be discussed with the gallery at the early stages of planning.

If agreed, the gallery will take 30% commission on all sales.

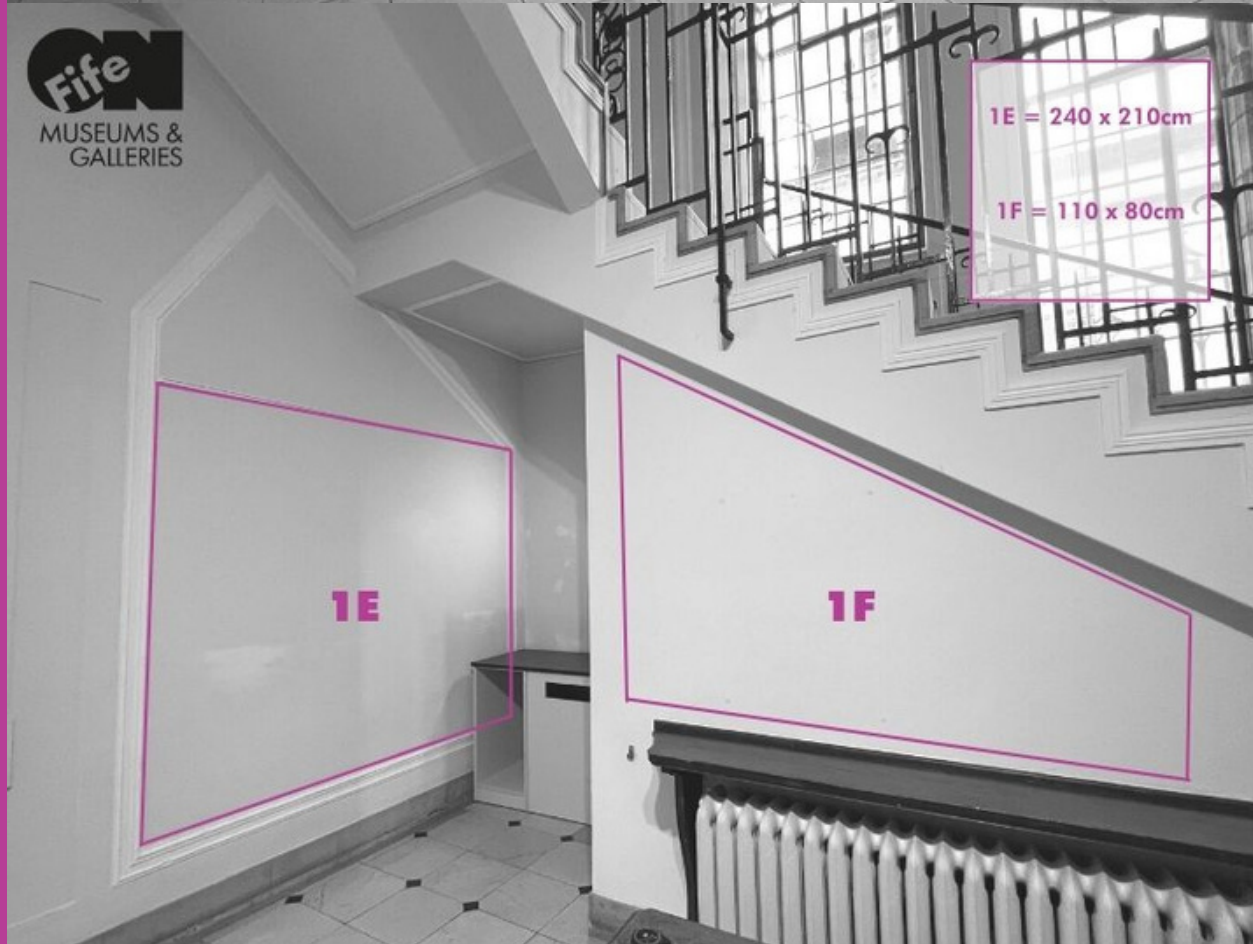

If works are to be sold please send a list of works available, including artist, title, materials and price to [ross.christie@onfife.com](mailto:ross.christie@onfife.com), at least two weeks in advance of your exhibition opening date.

## **Previews/opening events**

We are happy to hold previews for Community Gallery exhibitions if they are timed to fit with the opening hours of the venue. Refreshments can be provided by our 'in house' caterers if the costs are covered by the exhibitors. Exhibitors are not permitted to provide their own refreshments.

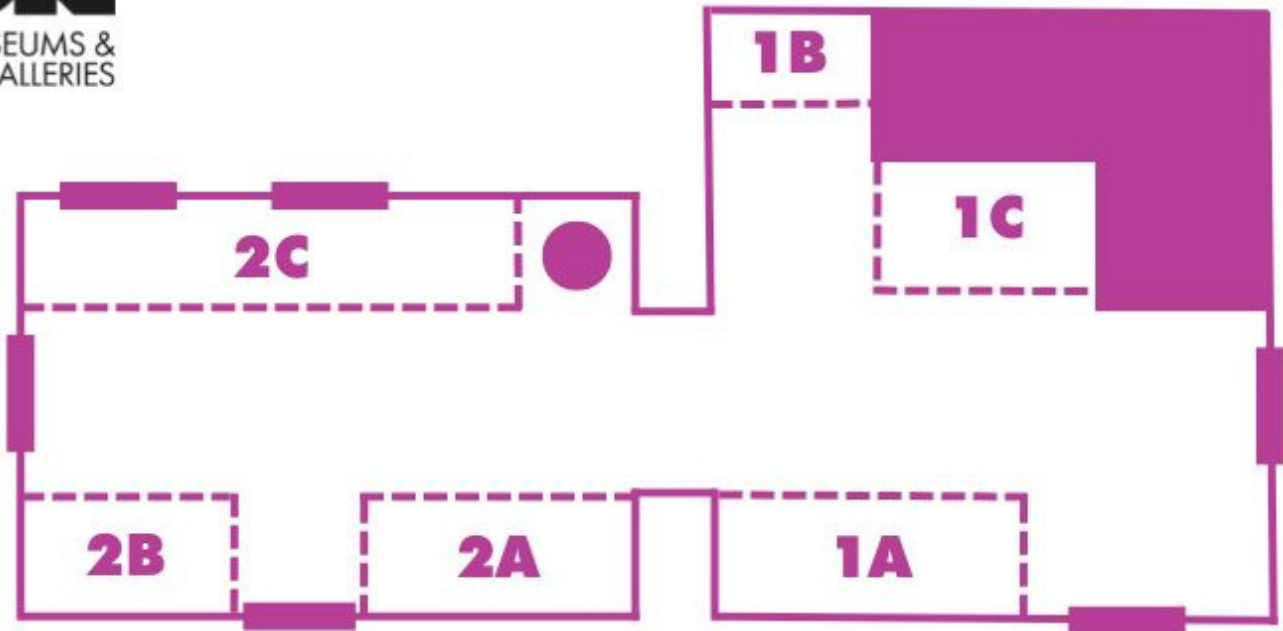

The Community Gallery will hold around 40 people, and this should be taken into account when planning previews.
