Permission To Borrow Teen / Adult Books

OnFife Libraries try to offer young people a wide choice of books to help them develop their skills and tastes to prepare them for becoming an adult reader.

For many young people this means they are keen to use the ADULT library at quite a young age. Although we would encourage them to do so, this inevitably means that a small proportion of the books may contain more ‘adult’ content including swearing, violence, sexual references etc. This can also be true of the TEEN collection, where young people from ages 12+ are the focus and so the content may be unsuitable for younger readers.

Once children have your permission to borrow teen/adult books and other materials, library staff are unable to take responsibility for the content of books they borrow. However, they are of course on hand to offer advice and assistance to young readers and parents/guardians on their choice of reading material.

We encourage parents/guardians to share the pleasure of choosing books and to discuss reading choices with their children.

To be signed by a parent/carer/legal guardian ONLY.
I confirm that I give my permission for;

Name _____ Age _____ to borrow from the teen / adult library (Delete as appropriate).

Signed_____ Print Name _____

Relationship_____ Date_____

Library Use: Borrower Number _____

LIBRARIES
